

## Circuit Criminal ♦ Overview

The Circuit Criminal division includes the following five categories of felony offenses: capital murder, serious crimes against persons, less serious crimes against persons, crimes against property, and drug offenses. Within these categories are the following case types:

**Capital Murder** - capital murder offenses

**Serious Crimes Against Persons** - non-capital murder (examples of non-capital murder cases include: negligent manslaughter, vehicular manslaughter, non-premeditated murder, commission of a felony which causes death, aggravated manslaughter, and other similar offenses) and sexual offenses

**Less Serious Crimes Against Persons** - robbery and other crimes against persons

**Crimes Against Property** - burglary, theft, forgery, fraud, worthless checks, other crimes against property, and other felony offenses (examples of other felony offenses are: weapon charges, resisting arrest, contempt of court, failure to appear, accessory after the fact, and book-making)

**Drug Offenses** - drug offenses

In the Circuit Criminal division, *filings* correspond to each defendant against whom an information or indictment is filed. *Dispositions* correspond to each defendant for whom a final judicial decision is rendered terminating a criminal proceeding by an acquittal, a dismissal, or a judgment stating the specific sentence (in the case of a conviction). *Charges (counts)* are defined as each individual offense with which a defendant is accused. These charges (counts) are tied directly to each filing. *Jury trials* are defined as trials in which a group of citizens is impaneled, selected, and sworn to determine the issues of fact in a case.

---

**CIRCUIT CRIMINAL JURY TRIAL RATE  
FY 2021-22**

**CIRCUIT CRIMINAL GUILTY DISPOSITION RATE  
FY 2021-22**

The Circuit Criminal division also includes other statistics such as clearance rates, reopenings, no files, select appeals filed from county court, post conviction relief motions, probation revocation hearings, bond hearings, and adversary preliminary hearings. **These data are provided by the 67 clerks of court.**

**Clearance Rates** - The clearance rate is a useful measure of the responsiveness of a court to the demand for services, and is nationally recognized as a measure of court performance. The rate is determined by dividing the total number of cases *disposed* by the total number of cases *filed* during a specific time period. If a court received 1,000 new cases a month and disposed of 900 cases within the same month, the clearance rate for that month would be 90%. A 100% clearance rate means that a court is disposing of at least as many cases as have been filed during the reporting period. Thus, where clearance rates exceed 100%, those circuits are actually disposing of cases more quickly than cases are being filed for the period in question.

**Reopenings** - A reopening occurs when a case that has previously been reported as disposed is resubmitted to the court through a motion or petition.

**No Files** - A no file occurs when all charges against a defendant are dropped and the prosecutor did not file an information or seek an indictment.

**Appeals Filed From County Court** - Pursuant to ch. 2020-61, Laws of Fla., effective January 1, 2021, the circuit court's general statutory authority in § 26.012, Fla. Stat., to hear appeals from county court final orders and judgments was repealed as was its specific authority in § 924.08, Fla. Stat., to hear appeals from county court final judgments in misdemeanor cases. Due to this legislation, the district courts of appeal will have jurisdiction. Circuit courts will continue, however, to have appellate jurisdiction for certain types of cases under statutes that were not amended.

**Post Conviction Relief Motions** - A post conviction relief motion is a motion to vacate, set aside, or correct a sentence pursuant to rule 3.850, Florida Rules of Criminal Procedure.

**Probation Revocation Hearings** - A probation revocation hearing is a proceeding in which a judge determines whether a defendant's probation should be modified or revoked following an alleged violation.

**Bond Hearings** - A bond hearing is a proceeding in which a judge considers a defendant's pretrial release status for the purpose of setting or modifying bond or other pretrial release status.

**Adversary Preliminary Hearings** - An adversary preliminary hearing is a proceeding in which a judge considers evidence presented to determine whether there is sufficient cause to hold the accused for trial.
